SEATTLE, Jan. 5, 2023 /PRNewswire/ -- CTI BioPharma Corp. (NASDAQ: CTIC) today announced that management will present a corporate overview at the 41<sup>st</sup> Annual J.P. Morgan Healthcare Conference in San Francisco.

Presentation details:

Event: 41<sup>st</sup> Annual J.P. Morgan Healthcare Conference

Date: Thursday, January 12, 2023

Time: 7:30 a.m. PT/10:30 a.m. ET

The presentation will be webcast live and available for replay from the Investors section of CTI BioPharma's website at [www.ctibiopharma.com](http://www.ctibiopharma.com).

### About CTI BioPharma Corp.

We are a commercial biopharmaceutical company focused on the acquisition, development and commercialization of novel targeted therapies for blood-related cancers that offer a unique benefit to patients and their healthcare providers. CTI has one FDA-approved product, VONJO<sup>®</sup> (pacritinib), a JAK2 and IRAK1 inhibitor, that spares JAK1. VONJO is approved for the treatment of adults with intermediate- or high-risk primary or secondary (post-polycythemia vera or post-essential thrombocythemia) myelofibrosis with a platelet count below  $50 \times 10^9/L$ . This indication is approved under FDA accelerated approval based on spleen volume reduction. Continued approval for this indication may be contingent upon verification and description of clinical benefit in a confirmatory trial(s). CTI is conducting the Phase 3 PACIFICA study of VONJO in patients with myelofibrosis and severe thrombocytopenia as a post-marketing requirement.

VONJO<sup>®</sup> is a registered trademark of CTI BioPharma Corp.
